Jim Allen Meeting Preparation Guide

Tuesday Casino Visit - UNO Casino Gaming Opportunity

SITUATION OVERVIEW

Perfect Storm Opportunity: - You work at Seminole Classic Casino (Hard Rock partner) - Jim Allen (CEO) visiting YOUR casino Tuesday - You've been emailing him about UNO Casino Gaming - This is your chance for face-to-face connection

---

MEETING STRATEGY

Approach: Professional but Personal

- "Mr. Allen, I'm [Your Name] from Seminole Classic. I've been sending you emails about the UNO Casino Gaming opportunity."
- "Since you're here, I'd love to show you something that could revolutionize our gaming floor."

Key Opening Line:

"What if I told you we could generate $20M in new annual revenue across all Seminole properties using the world's most recognizable card game?"

MATERIALS TO HAVE READY

Physical Documents (Print These):

1. **One-Pager Summary** - Quick visual overview
2. **Table Layout Options** - 3 different designs to show
3. **Financial Summary** - Key numbers on one page
4. **Your Business Card** - Professional contact info

Digital Backup:

- All PDFs on your phone/tablet
- Pitch deck presentation ready
- Contact information saved

CONVERSATION FLOW

Phase 1: Hook (30 seconds)

- Introduce yourself and reference emails
- Drop the $20M revenue number
- Show visual table layout

Phase 2: Credibility (1 minute)

- "I've done comprehensive market analysis"
- "67% of players already see UNO as skill-based"
- "Hasbro's recent casino partnerships prove the market"

Phase 3: Urgency (30 seconds)

- "First-mover advantage window is closing"

- "Perfect fit for Seminole's demographic strategy"
- "I have complete business plan ready"

Phase 4: Ask (15 seconds)

- "Could we schedule 30 minutes to present this to your team?"
- "I believe this could position Seminole as the innovation leader"

TABLE LAYOUT PRESENTATION

Show All 3 Options:

Option 1: Traditional Circular - "Familiar casino layout, 6 players, easy implementation" - "Perfect for conservative rollout"

Option 2: Modern Rectangular - "8 players, tech-forward, appeals to millennials" - "Digital integration, multiple side bets"

Option 3: Stadium Design - "12 players, tournament-ready, maximum revenue" - "Stadium atmosphere, community betting"

Key Points for Each:

- Revenue projections per table
- Implementation complexity
- Target demographic appeal

OBJECTION HANDLING

"We're not looking at new games right now"

- "This isn't just a new game - it's a demographic strategy"
- "35% of casino visits are millennials seeking social experiences"

- "UNO eliminates customer education costs"

"Licensing could be complicated"

- "I've researched Mattel's licensing framework"
- "They have proven casino partnerships already"
- "Exclusive Florida rights create competitive advantage"

"Implementation seems complex"

- "I've designed a 24-month phased rollout"
- "Pilot at 2 properties, then expand"
- "Uses existing casino infrastructure"

SUCCESS METRICS

Minimum Success:

- Get his attention and interest
- Exchange contact information
- Secure follow-up meeting

Ideal Success:
