- **Authority:** Multi-property casino operations oversight
- **Strategic Value:** System-wide implementation authority
- **Approach:** Scalability and multi-property rollout

📧 CORPORATE OUTREACH EMAIL TEMPLATE

Subject: "UNO Casino Gaming: New Revenue Opportunity for Seminole Gaming"

TO: Paul Tjoumakaris (Primary Target)

EMAIL:

Dear Mr. Tjoumakaris,

I hope this email finds you well. I am Antwaun Maxwell, a Table Games employee at Seminole Classic Casino.

Professional Referral: Anthony Presutti, Director of Gaming Operations at Seminole Classic, directed me to reach out to you regarding a new game development opportunity. He indicated that Senior VPs of Gaming at the corporate level are responsible for evaluating new game concepts.

Business Opportunity: I have developed a comprehensive proposal for UNO Casino Gaming - a revolutionary table game that represents a potential $13-20 million annual revenue opportunity for Seminole Gaming properties.

Strategic Value: - **Proven Brand Recognition:** UNO is globally recognized with 50+ years of market presence - **Demographic Expansion:** Attracts millennials and Gen Z to casino floors - **Revenue Diversification:** New income stream beyond traditional table games - **Competitive Advantage:** First-mover opportunity in branded casino gaming - **Scalable Implementation:** Deployable across all Seminole properties

Professional Preparation: I have prepared extensive documentation including: - Complete game rules and betting structure - Market analysis and competitive research - Financial projections and ROI calculations - Implementation timeline and strategy - Regulatory compliance planning (GLI/BMI testing ready)

Industry Validation: Recent market research shows significant demand for branded gaming experiences, with Hasbro successfully licensing other properties for casino gaming applications.

Request: I would be honored to present this comprehensive business case to you and your team. The documentation is corporate-ready and addresses all aspects of game development, testing, and implementation.

Next Steps: I understand the importance of proper regulatory testing and approval processes. I am prepared to work within Seminole Gaming's established protocols for new game evaluation.

Thank you for your time and consideration. I look forward to the opportunity to contribute to Seminole Gaming's continued innovation and growth.

Best regards,

Antwaun Maxwell Table Games Department Seminole Classic Casino Employee ID: 180286 Phone: 11-25-2706 Email: [your email]
