UNO Casino Gaming: Compensation Structure Options

How You Get Paid for Creating This Opportunity

COMPENSATION MODELS

Option 1: Finder's Fee Structure

One-Time Payment for Deal Creation

Upfront Finder's Fee:

- **5-10% of first-year licensing costs** paid to Mattel
- **Example:** If Seminole pays $2Mlicensingfee, youreceive$100K-200K
- **Pros:** Immediate payment, simple structure
- **Cons:** No ongoing revenue participation

Deal Completion Bonus:

- **$50K-250K** upon signed partnership agreement
- **Milestone payments** as implementation progresses
- **Performance bonuses** based on revenue targets

Option 2: Ongoing Royalty Participation

Percentage of Gaming Revenue

Revenue Sharing Model:

- **0.5-2% of gross UNO gaming revenue** across all properties
- **Example:** $15M annual revenue =$75K-300K annually for you
- **Duration:** 5-10 year agreement with renewal options
- **Escalation:** Percentage increases with revenue milestones

Licensing Royalty Share:

- **10-25% of what Seminole pays** to Mattel in licensing fees
- **Example:** $2M annual licensing =$200K-500K for you
- **Guaranteed minimum** annual payment regardless of performance

---

Option 3: Consulting Agreement Structure

Professional Services Contract

Implementation Consulting:

- **$150-300/hour** for project management and implementation
- **Monthly retainer:** $10K-25K during rollout phase
- **Project milestones:** Bonus payments for successful launches

Ongoing Advisory Role:

- **$5K-15K monthly** retainer for strategic guidance
- **Performance bonuses** tied to revenue growth
- **Equity participation** in any spin-off ventures

Option 4: Joint Venture Partnership

Equity Participation Model

Partnership Entity:

- **5-15% equity** in UNO Casino Gaming venture

- **Board seat** or advisory position
- **Profit sharing** based on equity percentage

Licensing Entity:

- Create separate company to manage Mattel relationship
- **25-50% ownership** of licensing entity
- **Control over expansion** to other casino operators

Option 5: Hybrid Compensation Model

Combination Approach (RECOMMENDED)

Immediate Compensation:

- **$100K finder's fee** upon signed agreement
- **$50K implementation bonus** at first table launch

Ongoing Revenue:

- **1% of gross UNO gaming revenue** for 7 years
- **15% of licensing fees** paid to Mattel
- **$10K monthly consulting** retainer during first 2 years

Long-term Participation:

- **5% equity** in any UNO gaming expansion ventures
- **Right of first refusal** on similar branded gaming opportunities
- **Performance bonuses** for revenue milestones

NEGOTIATION STRATEGY

Your Value Proposition:

1. **Market Research & Analysis** - Comprehensive business case
2. **Relationship Facilitation** - Bridge between Seminole and Mattel
3. **Implementation Expertise** - Operational knowledge and planning
4. **Risk Mitigation** - Thorough analysis reduces Seminole's risk
5. **First-Mover Advantage** - Timing and competitive positioning

Negotiation Points:

- **Exclusive Territory Rights** - Florida gaming exclusivity
- **Expansion Participation** - Rights to other Seminole ventures
- **Performance Incentives** - Bonuses for exceeding projections
- **Intellectual Property** - Credit for concept development
- **Non-Compete Protection** - Prevents Seminole from cutting you out

---

LEGAL STRUCTURE RECOMMENDATIONS

Protect Your Interests:

1. **Written Agreement** before any presentations to Mattel
2. **Non-Disclosure Agreement** with confidentiality clauses
3. **Intellectual Property Assignment** documenting your contribution
4. **Performance Milestones** with clear payment triggers
5. **Dispute Resolution** mechanisms and jurisdiction clauses

Professional Support:

- **Gaming Attorney** specializing in tribal gaming law

- **Intellectual Property Lawyer** for licensing agreements
- **Business Advisor** for negotiation strategy
- **Accountant** for tax optimization structure

TIMING STRATEGY

Before Meeting Jim Allen:

- **Document your contribution** with timestamped emails and research
- **Prepare compensation proposal** with multiple options
- **Research industry standards** for similar deals
- **Identify legal representation** for contract negotiation

During Initial Discussions:

- **Establish your role** as originator and facilitator
- **Present value proposition** clearly and confidently
- **Propose partnership structure** rather than just employment
- **Secure agreement in principle** before detailed negotiations

Contract Negotiation Phase:

- **Multiple compensation models** to choose from
- **Performance-based incentives** aligned with success
- **Long-term participation** in growth and expansion
- **Protection mechanisms** against being excluded

INDUSTRY BENCHMARKS

Gaming Industry Standards:

- **Finder's Fees:** 5-15% of deal value
- **Licensing Royalties:** 0.5-3% of gaming revenue
- **Consulting Rates:** $150-500/hour for gaming expertise
- **Equity Participation:** 2-10% for deal originators

Comparable Deals:

- **Hasbro-Bally's Partnership:** Estimated $5-10M annual licensing
- **Scientific Games Licensing:** 2-4% revenue sharing typical
- **Tribal Gaming Consultants:** $200-400/hour standard rates

---

RECOMMENDED APPROACH

Phase 1: Establish Your Position

Before Jim Allen Meeting: - Send email establishing your role as deal originator - Document all research and development work - Prepare compensation discussion for follow-up meeting

Phase 2: Present Partnership Opportunity

During Jim Allen Discussion: - Position yourself as strategic partner, not just employee - Emphasize ongoing value beyond initial introduction - Propose win-win compensation structure

Phase 3: Formalize Agreement

Contract Negotiation: - **Hybrid model:** Upfront fee + ongoing royalties + equity - **Performance incentives** tied to revenue milestones - **Expansion rights** for future opportunities - **Legal protection** with proper documentation

---

Performance Bonuses:

- **$100Kbonus**$*at$10M annual revenue milestone
- **$250Kbonus**$*at$20M annual revenue milestone
- **$500K bonus** for expansion to 10+ properties

KEY SUCCESS FACTORS

Document Everything:

- Email trails showing your initiative
- Research and analysis you've conducted

- Concept development and table designs
- All communications with Seminole leadership

Professional Positioning:

- Present as strategic business partner
- Emphasize ongoing value creation
- Demonstrate industry expertise
- Show commitment to long-term success

Legal Protection:

- Secure written agreements early
- Protect intellectual property rights
- Establish clear performance metrics
- Include dispute resolution mechanisms

BOTTOM LINE: You're not just making an introduction - you're creating a multi-million dollar business opportunity. Your compensation should reflect the value you're bringing to both Seminole Hard Rock and Mattel. Aim for a hybrid model that provides immediate payment, ongoing revenue participation, and long-term equity upside.

NEXT STEP: Prepare your compensation proposal before meeting Jim Allen, so you can discuss partnership terms when he shows interest in the opportunity.
